1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

I'm a Dominion Energy customer in South Carolina.

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

I'm concerned that after promising NOT to raise rates after last July's rate raise, Dominion is asking for ANOTHER rate hike NOW, instead of waiting another year, as they promised. Prices are rising everywhere, it's true, but why does Dominion promise, as part of last year's rate hike, NOT to raise rates again until 2023 and then IMMEDIATELY turn around and ask for another rate hike less than a year later? This is simply dishonest and a terrible way to do business.

I protest against this rate hike and ask the Commission NOT to permit Dominion to raise rates again until mid-2023, as they promised NOT to do with last year's rate hike.

3. Do you wish to make an appearance at a hearing in this proceeding , if scheduled, and offer sworn testimony? * No.
